

In the portion of Vayigash, the saga of Joseph and his brothers continues, when Joseph, now the Viceroy of Egypt, reveals his true identity to the brothers who sold him into slavery years before.

The aged Jacob learns that his son is still alive, and travels to Egypt to see him, prompting the Twelve Tribes of Israel to settle there, thus setting the scene for the trials of Exodus.

Featuring commentary from Wendy Amsellem of the Drisha Institute for Jewish Education and Prof. Yitzhak Berger of Hunter College.
